No problem – glad you have the information you need in two of UIC's three items (for now). For the third, SQLWORD, Wendy and I plan to discuss Thursday. Thanks.

Bruce

Thanks Bruce.

Sallena will eventually need all of the court reporter and room info (the information needed to actually purchase the services), but for now we at least have good estimates.

It sounds like the Ft. Peck application situation is under control.

We'll wait to hear from Wendy on SQLWORD.

...and I just spoke with Diana Hammer in Montana, and she said the grant application did arrive by the June 3rd due date.

The Montana folks definitely want the funds for this important program. Thanks for not allowing the funds to be swept.

Rebecca,

I don't mean to piece-meal this, but Wendy is out until Thursday and she will have the answer for Item #37, which should complete the UIC action and meet the 7/8 deadline.

My understanding is that Trish Pfeiffer contacted you Friday – did you get what you need for Item #41?

Items #32-36 were provided by Valois Shea to Sallena on Friday and is forwarded below.

Let me know if I'm on track with UIC's portion.

Hi Bruce,

My items are the court reporters for the 4 Dewey-Burdock public hearings. I sent my estimates to Sallena already. Here is a summary of all my info in case you need it:

Estimated Costs for Dewey-Burdock Public Hearings

Location	Pine Ridge Reservatio	Custer, SD	Edgemont, SD	Rapid City, SD
Newspaper info	<i>Lakota Country Times</i> Estimate \$75	<i>Custer County Chronicle</i> Estimate \$50	<i>Edgemont Herald Tribune</i> Estimate \$45	<i>Rapid City Journal</i> Estimate \$150
Court Recorder	Estimate \$3000 for 2 days	Estimate \$1500 for 1 day	Estimate \$1500 for 1 day	Estimate \$3000 for 2 days
Meeting Venue	School on east side School on west side Estimate \$500 for two days	No venue found yet Estimate \$300 for one day	St James Catholic Church 310 Third Avenue Edgemont, SD (605) 662-7152 Clarence Anderson \$195 per day	BEST WESTERN Ramkota Conference Center, \$400/day x 2 days = \$800
Radio station	For Pine Ridge only			
TV stations	For Pine Ridge only			
Totals	\$3575	\$1850	\$1740	\$8450

Total = \$15,615

Hey UICers, it's my turn to follow-up - I haven't seen any updates from Jason's Friday inquiry. We need to hear from Trish regarding the Ft. Peck item below. Regarding the other two UIC items, does anyone have an input for these? I have not been made aware of these items. (I also copied in Craig.)

Thanks for any information that you can share.

Hi Team,

Please see Rebecca Russo's highlights below for UIC action items that have your name/issue associated. Rebecca says Fort Peck's FY15 carryover funding is at risk due to the lack of an application from that Program and this is the most critical item. I can call Deb Madison but figured I need to loop in Tricia Pfeiffer first.

Subject: YOUR action required!

Hi all,

It is now July and we need to wrap up our FY16 budgets, which means we need some final funding decisions from you all.

Please find attached a table showing the 44 separate actions that Barbara and Sallena still need to complete for the FY16 budgets. Several of these actions are on hold awaiting decisions by you all. I ask that you understand their incredible workload in July and get your decisions in as soon as possible. Barbara is going to be on A/L starting 7/18, returning on

7/25 and again starting 7/28, returning on 8/3. We would like to try to have all purchases complete by 7/15, so ***if we could get your final funding decisions by next Friday 7/8***, that would be great.

I color coded for you to make it easier:

Sarah and Mindy

Lisa

Douglas and all UIC folks

Gwen

TFS Staff

Please let me, Barbara or Salena know if you have any questions or if you cannot get us your funding decisions by 7/8.

Thanks,

Rebecca

Drinking Water (Sarah and Mindy, with input by Minnie and Sallena)

- Item # 6: Aberdeen IA – FY17
 - Minnie strongly recommends a NEW IA this year for the \$40,000.
 - Please decide if we are going to do a NEW IA or add to the current one.

Drinking Water (Sarah, Mindy and Lisa)

- Item # 10: CMDP HQ Contract
 - Barbara needs to know the final amount we are putting on the contract as well as how you are splitting that expense between Tribal and Wyoming.
 - Barbara also needs the SOW from Tsegaye.
- Item #11: Cadmus HQ Contract
 - We need to know if you are going to fund, and if so, for how much
 - If you decide to fund, we need a Statement of Work.

Drinking Water (Lisa)

- Item #13: SSTA Contracts
 - We will need to know the final amount we are putting on the SSTA contracts (currently budgeted at \$123,378). WY is currently expecting a balance of \$26,520.72, which I understand Lisa would like to add to Task Order 2 on the MAP contract for 2 LCR workshops in WY and to the SSTA contracts on top of the \$123,378 currently budgeted. It is likely that we budgeted more for CMDP than we are actually going to pay this year (currently budgeted for \$25,000 in WY funding and \$10,000 in Tribal funding, but with a current estimate of just \$11,000 total). We would like to fully fund SDWIS and DW Watch for FY17 (requires an additional \$18,800 total), and then any additional remaining balance could be applied to the SSTA contracts beyond the \$123,378 currently budgeted. In order for us to more easily track the funding, we are currently “borrowed” from Tribal to match their FY17 funding for SDWIS/DW Watch. We would rather rectify that with FY16 funding than wait until FY17.

UIC (Douglas/Valois)

- Items # 32-36: Court Reporter and Conference Room Rental
 - Sallena needs all of the information on the Court Reporter(s) and Conference Room(s) to complete these PRs.

UIC (Douglas/Wendy)

- Item #37: SQLWORD
 - Sallena needs additional information from the Program (what exactly is she buying and from whom?)

UIC (Douglas/Jason/Bruce)

- Item #41: Fort Peck Grant
 - The grantee has yet to turn in an application. Their FY15 carryover funding is at great risk for being swept at this point.

Wastewater (Sven)

- Item #46: HQ Contract
- A new/revised SOW is needed

I/O (Sarah and Lisa)

- Item #49: Federal Notices and Public Notices
- We need to have a final good estimate of how much funding to set aside.

I/O (Sarah)

- Item #50: I/O Supplies

Once we have an estimate for Federal Notices and Public Notices, we need to know what you would like to do with the remaining funds. Balance is currently \$3,881.85 total.
